

BERWICK HEIGHTS

Welcome to the 2024 Season

Dear Valued Members

In preparation for the 2024 golf season, we have made some great changes at Berwick Heights Golf Course. I fully understand that change can be difficult, however new technology in the golf industry will enable us to provide a better and faster service throughout the year.

THE PRO SHOP

We have four returning staff members this year: Doug Hines, Jeff Belair, Luke Orr and Sydney Redden. I personally want to thank them for returning to Berwick Heights.

Our Pro Shop is now fully replenished with brand new 2024 clubs, putters and wedges from [Cobra](#), as well as men's and ladies [Puma](#) apparel. We have a selection of hats and golf balls with our Berwick Heights Gold Course logo and [Titleist](#) and [Bridgestone](#) golf balls, NHL products from [CaddyPro Golf Products](#) and much more.

We are pleased to announce that on May 17th we will be hosting another club fitting event with Cobra Golf here at our driving range. If you are interested in getting fitted, a sign up sheet will be available in the Pro Shop for you to reserve your spot.

THE HEIGHTS BAR & GRILL

Great things ahead this year for The Heights Bar & Grill. Under the guidance of Chef Warren and with Shawna Bubin returning, I am eagerly anticipating what this year will bring.

The menu will feature all of your favorites from last year. Chef Warren has also created a new Munchie Platter. Other new items on the menu will include German sausages, bratwurst, smokies, hot dogs and 7 new vegetarian items.

NEWS at BERWICK HEIGHTS

1) We are expanding the cart compound this season. It should be ready for the start of the season, we are just waiting for the fence to be installed. For returning members, once you have successfully renewed your cart storage for the season, we kindly request that you please park in the same stall as last year. Once the new section is completed and you wish to make a change, please feel free to approach any of our Pro Shop attendants.

2) Berwick Heights and Paragon Golf & Country Club have entered into an agreement with the Nova Scotia Golf Association to host the NSGA Men's 4 Ball Tournament for the next 3 seasons.. Both clubs are in agreement that this is an excellent fit for our respective establishments and we eagerly anticipate

welcoming the finest amateur golfers from Nova Scotia. I am seeking volunteers for this upcoming event on the weekend of June 8th and 9th. I kindly request your support to make this event exceptional. Together, let's elevate our golf courses reputation and establish it as one of the finest in our province.

3) This season, we have introduced a new system, and as a result, gift certificates will no longer be distributed. Instead any winnings will automatically be deposited into your Members Credit Book Account. This account can be utilized to make purchases from the Pro Shop and the kitchen. Additionally, you can also use it for cart rentals, green fees, driving range access and payment for the upcoming years membership, among other things.

The primary objective behind this change is to safeguard the members from losing their gift certificates, as this occurrence is quite frequent. This change will also simplify the processes for all staff involved. It is important to note that all winnings from Men's and Ladies day events will be deposited to your account except for Skins and Toonies that will be paid in cash. Chrono Golf will send each member

a monthly statement via email, enabling them to track the deposits made as well as their expenditures.

If you have any Gift Certificates from previous years, please bring them in to the Pro Shop and we will deposit the balance of the certificates into your Credit Book Account.

All members have the option to add funds to their account at our Pro Shop whenever you wish. While it is not mandatory, doing so will help streamline the process at both the Pro Shop and kitchen.

Finally, I want to express my gratitude to Paul Parsons for his exceptional leadership over the last few years, he has implemented significant improvements at Berwick Heights and takes great pride in being its owner, foreseeing a bright future ahead.

Thank you,
Gary McMullen, Manager

Superintendent Update

Hello Everyone,

A quick note on what's going on out on the course.

We have started cutting trees around the greens to help with wet areas. Slowly but surely we'll get those greens and mounds out in full sun.

The course didn't have a lot of damage over the winter. The usual, some downed trees and road wash outs. A couple of the greens have ice damage due to plugged drainage.

We've started mowing and rolling greens and will start getting the tees and fairways cleaned up. The range is still to wet to put the nets up.

The course is still soggy. Hopefully Mother Nature will ease up on the rain so you folks can get out here and play some golf!

All the Best,
Jennifer Visser, Superintendent

Match play is a scoring system for golf in which a player, or team, earns a point for each hole in which they have bested their opponents; as opposed to stroke play, in which the total number of strokes is counted over one or more rounds of 18 holes.

In match play the winner is the player, or team, with the most points at the end of play.

Match Play is a great way to meet new people and compete on a level playing field with those who may have a different handicap than you!

Register by in the Pro Shop or by email at matchplay@berwickheightsgolf.com by 5:00pm Wednesday, May 22, 2024.

Rules and information can be found on our website at berwickheightsgolf.com/match-play

Minimum of 10 participants / teams for each Match Play required

The emphasis of the BHLG is to provide a fun, friendly, and helpful ladies golf environment while promoting the Rules of Golf. We welcome all experience levels and ensure new golfers feel comfortable and at home. Ladies Group players must have a full membership (weekdays or full week).

Annual registration fee is \$30 and covers the prizes awarded throughout the season.

Play will commence every Thursday at 9:00am typically starting the first week of May and ending the last week of September. Players have no obligation to golf every week of the season, so they must sign up at the Pro Shop each week by noon Wednesday. Group members should arrive at the golf course no later than 8:30am. Group members have the option to play 9 or 18 holes and to walk or use a power cart.

Play begins with a shotgun start on holes 16, 17, 18, and 1 depending on the number of participants. Those playing only 9 holes need to record scores for holes 1 thru 9 regardless of their starting hole.

Two or three Nine and Dine events are held every year and are open to all female players.

Please join us for wonderful season of golfing, fun and socializing. For more information and contact details visit berwickheightsgolf.com/ladies-day.
